O my mind! Keep on chanting everyday the glories of Lord Krishna.

Practice loving Him more and more with every passing moment.

mana govinda guna gae ja
Keep on singing the glories of Govind.

vaha jivana kya jivana jisa mem
jivana dhana se pyar na ho
Life in which there is no love for the giver of this precious life, is no life at all.

hai vaha pyara pyara kya jisa mem
piya sukha mem balihar na ho
Love in which there is not complete self-sacrifice for the beloved, is not true love.

syama-syama milana hita nita prati
nainana nira bahae ja
Continue shedding selfless tears in hope of being united with the Divine Couple.

mana govinda guna gae ja
jivana saphala banae ja
Make this human life meaningful by continuously chanting the glories of Govind in your
mind.

priya pranana pyari sukumari
bhanudulari jana re
Know that Shri Radha, the Divine daughter of King Bhanu, is more precious to Lord
Krishna than His very life.

cakara bana nita karata cakari
sundara syama sujana re
The all-attractive Lord is always keen to render service unto Shri Radha.

prema sudha rasa cakhana hita mana
radhe radhe gae ja
O my mind! If you wish to taste the sweetest nectar of Divine Love, chant the name of
Radha.

radhe radhe gae ja mana radhe radhe gae ja
O my mind! Chant always the name of Radha Rani.
