चिंतय चित्त चिरं हरि चरणम्,

भज गोविन्दं, भज गोविन्दं,  
गोविन्दं भज मूढमते ।

श्री कृष्ण चैतन्य प्रभु नित्यानन्दा,  
हरे कृष्ण हरे राम श्री राधे गोविन्दा ।

चरण-रणित-मणिमय-मंजीरम्,  
सत् चित् सुखघन सुभग शरीरम् ।

प्रणम गदाधर गिरिवर धरणम् ।

हा राधे! हा प्रेम अगाधे,

### Chintaya Chitt Chiram

**Chintaya chitt chiram Hari charanam,  
Gopavadhu-jan hridaya-bharnam.**

O my mind! Every moment remember the lotus feet of Krishn.  
They are the adornment of the *Gopis'* heart.

**Bhaj Govindam, bhaj Govindam,  
Govindam bhaj moodh mate.**

O, ignorant souls of the world! Worship, remember,  
and love Govind.

**Shree Krishn Chaitanya, Prabhu Nityananda,  
Hare Krishn, Hare Ram, Shree Radhey Govinda.**

Glory to Shree Krishn Chaitanya Mahaprabhu, (the descension  
of Radha Krishn) and His brother Nityananda (the descension  
of Krishn's elder brother, Balram).

**Charan-ranit-manimay-manjiram,  
sat-chit-sukhghan subhag shariram.**

O, souls of the world, remember Krishn, Who is Himself  
the 'form' of Divine love and Divine knowledge, Whose  
lotus feet are decorated with diamond-studded, gold  
jinglebell-anklets.

**Asharan-sharanam bhav-bhaya harnam,  
pranam Gadadhar Girivar dharanam.**

Always remember Krishn Who is the Divine refuge of all the  
humble souls who have no other refuge, Who is the destroyer  
of the material bondage of *maya*. Bow down to the supreme  
personality of God, Krishn, Who held Govardhan hill to protect  
the *Brajwasis*.

**Ha Radhey ha prem agadhe,  
mam mati rastam tav pad kamale.**

O, Radhey! O, boundless ocean of Divine love, I surrender  
my mind and heart at Your lotus feet which is my only  
refuge.
